[†] Presented at the 30th International Conference on Modern Metallurgy—Iron and Steelmaking, Kosice, Slovakia, 27–29 September 2023.

In submitting the conference proceedings to *Engineering Proceedings*, the volume editors of the proceedings certify with the publisher that all the papers published in this volume have been subjected to peer review administered by the volume editors. The reviews were conducted by expert referees using the following professional and scientific standards expected of a proceedings journal.

- Type of peer review: single-blind.
- Conference submission management system: web page and e-mail.
- Number of submissions sent for review: 20.
- Number of submissions accepted: 18.
- Acceptance rate (number of submissions accepted/number of submissions received): 0.90.
- Average number of reviews per paper: 2.
- Total number of reviewers involved: 17.
- Any additional information on the review process: n/a.

Conflicts of Interest: The authors declare no conflict of interest.

Disclaimer/Publisher's Note: The statements, opinions and data contained in all publications are solely those of the individual author(s) and contributor(s) and not of MDPI and/or the editor(s). MDPI and/or the editor(s) disclaim responsibility for any injury to people or property resulting from any ideas, methods, instructions or products referred to in the content.
